File No.: 42.A4048.LTR1

**H2O ENVIRONMENTAL INC  
P O BOX 371134  
LAS VEGAS, NV 89137**

Your company has been assigned Carrier Number CA 203158 in the California Highway Patrol's Management Information System of Terminal Evaluation Records (MISTER). This is an automated file pertaining to motor carriers operating in the State of California. MISTER gives the CHP immediate access to emergency information about your company. It also allows the CHP to make better use of its inspection personnel by monitoring the overall safety operations of carriers. This is done by collecting information regarding citations, traffic accidents, hazardous material spills, and terminal evaluation ratings.

Your assigned Carrier Number must be displayed according to Vehicle Code Section 34507.5 (e.g., on both sides of at least one vehicle in a combination as described in Section 34500, any motortruck of two or more axles that is more than 10,000 pounds gross vehicle weight rating, or any other motortruck or motor vehicle used to transport property for compensation). Carriers displaying any one of the following valid numbers on their vehicles(s) are not required to display a CA number: a CAL-T number issued by the California Public Utilities Commission to household goods carriers; a TCP or PSC number issued by the California Public Utilities Commission to passenger carriers; or a DOT, MC or MX number issued by the former Interstate Commerce Commission (ICC) or the Federal Highway Administration (FHWA), Office of Motor Carriers to truck and passenger carriers. The number must be legible from 50 feet during normal daylight hours (approximately two inches high) and in a contrasting color to the background.

Example of proper display: **CA 203158**

If you have any questions regarding your assigned Carrier Number or the requirement to display the number, please contact the CHP Commercial Vehicle Section at (916) 445-1885.
